--	--	---

## 7. Processing of your personal data

In order to handle and regulate your claim for damages and to comply with our legal obligations under the Patient Injury Act (1996: 799), Lof needs to register, process and save your information. If required, Lof's hired independent medical adviser may also receive your notification and medical examination in the case. In some cases, Lof is obliged by law to disclose the information to different authorities, eg. tax authorities and the kronofogden. All processing of personal data is in accordance with the General Data Protection Regulation (EU) 2016/679. Personal data controller is the Landstingens Ömsesidiga Försäkringsbolag (Lof), organization number 516401-8557. Please visit our website for more information about Lof's handling of personal data.

## 8. Consent that your personal data is used for other purposes \*

Lof works actively for increased patient safety in Swedish healthcare. In order to reduce the number of patient injuries, Lof runs an extensive educational activity, offers active cooperation in patient safety projects and supports research in the field of patient safety. In order for this to be possible, Lof needs to use the information in the resulting claims cases, which together form the basis for extensive injury statistics. All personal data is treated confidentially and in accordance with research ethical principles.

- Do you consent that your personal data including the actions of your claimant may be used in harm prevention patient safety projects, research projects and scientific studies? Please tick yes or no.  
 Yes  No
- Do you consent that your personal information including the actions of your claim will be communicated to the healthcare practitioner and the affected care institution in order to improve their patient safety work? Please tick yes or no.  
 Yes  No

In order to develop and improve Lof's business, regular customer surveys are carried out. Personal data may therefore be disclosed to partners who carry out customer surveys on Lof's mission. Lof never leaves any health information to such partners..

- Do you consent that your personal data may be used in Lof's customer surveys? Please tick yes or no.  
 Yes  No

You may at any time withdraw a given consent by contacting Lof via the contact details at the bottom of this form.
